IEEE PDF eXpress®

If you are ready to approve your paper for collection, we suggest that you rename it using the following convention:

First word of title(hyphen)second word of title(hyphen)presenting author's last name(dot)PDF. For example, if the paper's title is "Systematic approach to enhanced innovation structures", and the presenting author is Colleen Edwards, the file should be renamed: **Systematic-approach-Edwards.pdf**

This naming convention is suggested in order to facilitate the sorting and sequencing of the final papers by the conference's publications chair.

IMPORTANT!!! Once you click "Approve File for Collection" you cannot revise. Make sure you are satisfied with the PDF before approving for collection.
